## STAFFING UPDATE:

Since the last Board Meeting, we filled two Program Technician II (PT II) vacancies in the Licensing Division. There are currently three PT II vacancies in the Licensing Division: two due to promotions at other agencies and one due to retirement. We recently conducted interviews and hope to have the vacancies filled as soon as possible.

## LICENSING STATISTICS:

The Licensing Division Statistical Data - Executive Summary is included with the Board materials. These comprehensive Licensing statistics cover activity from January 1, 2018, through June 30, 2022.

The Licensing Technicians continue to do an amazing job on the inquiry phone line. April 2022 through June 2022, we maintained an average $94 \%$ caller assist rate with an average wait time of two and a half minutes.

## CE AUDIT UPDATE:

We will begin continuing education (CE) audits of our probationary licensees this fall. CE audits were suspended due to COVID-19 and the Governor's Executive Order N-39-20, which included a temporary waiver of the continuing education requirement for individuals whose active licenses expired between March 31, 2020, and October 31, 2021.

We planned to resume CE Audits of the general licensing population in May, but as reported at the May Board meeting, we were concerned that some licensees may not be aware that the CE waiver ended on October 31, 2021. We have since updated the website to inform the public that the waivers put in place during the COVID-19 State of Emergency ended October 31, 2021. We will begin by auditing probationary licensees as the waiver did not apply to any continuing education or training required pursuant to a disciplinary order against a license.
