Important Notices to the Public: The staff of the Board of Vocational Nursing and Psychiatric Technicians will hold a public stakeholder meeting via WebEx regarding the approved proposed program application process for Vocational Nursing and Psychiatric Technician programs. Information regarding accessing the meeting is provided above, and general instructions for using WebEx are attached to the agenda.

The meeting is open to the public. Members of the public may but are not obligated to provide their names or personal information as a condition of observing or participating in the meeting. When signing into the WebEx platform, participants may be asked for their name and email address. Participants who choose not to provide their names will need to provide a unique identifier such as their initials or another alternative, so that the meeting moderator can identify individuals who wish to make public comment; participants who choose not to provide their email address may utilize a fictitious email address like in the following sample format: XXXXX@abcde.com.

The meeting is accessible to the physically disabled. A person who needs a disability-related accommodation or modification in order to participate in the meeting may make a request by contacting Education at (916) 263-7843, or by emailing BVNPTBoard@dca.ca.gov. Written requests may be sent to 2535 Capitol Oaks Drive, Suite 205, Sacramento, CA 95833-2945, attention: Elaine Yamaguchi. Providing your request at least five business days before the meeting will help to ensure availability of the requested accommodation.

The time and order of agenda items are subject to change at the discretion of the presiding facilitator. Using the WebEx link will allow for participation and observation. The meeting may be paused or postponed if there are technical difficulties with WebEx. If you wish to participate, please join the WebEx webinar and the presiding facilitator will call on you during the public comment periods. Webcast is not available for this public meeting.
