AUTHORITY AND REFERENCE

Pursuant to the authority vested by sections 2854 and 4504 of the Business and Professions (B&P) Code; and to implement, interpret or make specific sections 144, 901, 2841.1, 2859, 4501.1, 4502.3 of the B&P Code, the Board is considering changes to Division 25 of Title 16 of the California Code of Regulations (CCR).

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

B&P Code section 2854 (VN Program) and section 4504 (PT Program) authorize the Board to add, amend, or repeal, such rules and regulations as may be reasonably necessary to enable it to carry into effect the provisions of the Vocational Nursing Practice Act and the Psychiatric Technicians Law.

- (1) Add Sections 2557, 2557.1, 2557.2, 2557.3 (VN Program); and**
- (2) Add Sections 2595, 2595.1, 2595.2, 2595.3 (PT Program)**

These proposed regulations would implement, interpret or make specific the provisions of B&P Code section 901 by specifying procedures and forms to be used by sponsoring entities and out-of-state practitioners who desire to participate in sponsored events. The Board's highest priority is the protection of the public and these proposed regulations are intended to implement B&P Code section 901 in a manner that will provide the greatest protection for the people of California.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Sections 17500 – 17630 Require Reimbursement: None

Business Impact: The Board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses: The Board has determined that this proposed regulatory action will not have a significant impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business: The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Board has determined that the proposed regulations would not affect small businesses. The proposed regulations do not alter staffing or equipment needs in any small business.

CONSIDERATION OF ALTERNATIVES

The Board has determined that no reasonable alternative considered by the Board, or that has otherwise been identified and brought to the attention of Board, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action. The Board is directed by statute to develop these regulations and there is, thus, no other method of developing the forms and procedure for registering sponsoring entities and granting authorization for requests by out-of-state practitioners to participate in sponsored events.

One possible alternative is to delay or refrain from promulgating any regulations – i.e., maintain the status quo. This is not reasonable because the statute specifies a registration and fee process to be developed by the Board to implement the statute. By not creating a procedure, the Board would obviate the purpose of the statute, which is intended to provide an opportunity for out-of-state licensed volunteers to participate in certain free health care events. Also, it is not reasonable to delay because the statute has a sunset date of January 1, 2014. Because the statute is only effective for three (3) years, it is incumbent on the Board to implement the required processes as soon as possible.
