(c) The intent of this section shall not be construed to mean that licensed vocational nurses are to be considered as professional employees as defined in Sections 3507.3 and 3533 of the Government Code. (Added by Stats. 1973, Ch. 734.)

2841. Board of Vocational Nursing and Psychiatric Technicians.

Notwithstanding any other provision of law, the repeal of this section renders the board subject to review by the appropriate policy committees of the Legislature. (Amended by Stats. 2011, Ch. 338, Sec. 1. Effective January 1, 2012. Repealed as of January 1, 2016, by its own provisions.)

If the holder of a license is suspended, he shall not be entitled to practice vocational nursing during the term of suspension and shall return his license to the board.

Upon the expiration of the term of suspension, he shall be reinstated by the board and shall be entitled to resume his practice of vocational nursing unless it is established to the satisfaction of the board that he has practiced vocational nursing in this state during the term of suspension. In this event, the board shall revoke his license. (Amended by Stats. 1965, Ch. 593.)

2878. Grounds for Action.

The board may suspend or revoke a license issued under this chapter for any of the following:

(k) The commission of any act punishable as a sexually related crime, if that act is substantially related to the duties and functions of the licensee.

In administering this subdivision, the board shall consider referencing the standards, regulations, and guidelines of the State Department of Health Services developed pursuant to Section 1250.11 of the Health and Safety Code and the
standards, guidelines, and regulations pursuant to the California Occupational Safety and Health Act of 1973 (Part 1 (commencing with Section 6300), Division 5, Labor Code) for preventing the transmission of HIV, hepatitis B, and other blood-borne pathogens in health care settings. As necessary, the board shall consult with the California Medical Board, the Board of Podiatric Medicine, the Board of Dental Examiners, and the Board of Registered Nursing, to encourage appropriate consistency in the implementation of this subdivision.

The board shall seek to ensure that licentiates and others regulated by the board are informed of the responsibility of licentiates and others to follow infection control guidelines, and of the most recent scientifically recognized safeguards for minimizing the risk of transmission of blood-borne infectious diseases. (Amended by Stats. 2003, Ch. 640, Sec. 11. Effective January 1, 2004.)

State Personnel Bd. (1975) 15 Cal.3d 194. This required reporting shall not constitute a waiver of confidentiality of medical records. The information reported or disclosed shall be kept confidential except as provided in subdivision (d) and shall not be subject to discovery in civil cases.

(c) An employment agency or nursing registry shall report to the board the rejection from assignment of a licensed vocational nurse by a health facility or home health care provider due to acts that would be cause for suspension or termination as described in subdivision (d).

(d) For purposes of the section, “suspension, termination, or resignation for cause” or “rejection from assignment” are defined as suspension, termination, or resignation from employment, or rejection from assignment, for any of the following reasons:

1. Use of controlled substances or alcohol to the extent that it impairs the licensee’s ability to safely practice vocational nursing.
2. Unlawful sale of a controlled substance or other prescription items.
3. Patient or client abuse, neglect, physical harm, or sexual contact with a patient or client.

another, any controlled substance as defined in Division 10 of the Health and Safety Code, or any
dangerous drug as defined in Section 4022.
(b) Use any controlled substance as defined in Division 10 of the Health and Safety Code, or any
dangerous drug as defined in Section 4022, or alcoholic beverages, to an extent or in a manner

(a) and (b) of this section, in which event the record of the conviction is conclusive evidence thereof.

hospital, patient, or other record pertaining to narcotics or dangerous drugs as specified in subdivision
(b). (Amended by Stats. 2003, Ch. 586, Sec. 4. Effective January 1, 2004.)

2878.6. What is Deemed a Conviction.

A plea or verdict of guilty or a conviction following a plea of nolo contendere made to a charge
substantially related to the qualifications, functions and duties of a licensed vocational nurse is deemed
to be a conviction within the meaning of this article. The board may order the license suspended or
revoked, or may decline to issue a license, when the time for appeal has elapsed, or the judgment of
conviction has been affirmed on appeal or when an order granting probation is made suspending the
imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of
the Penal Code allowing such person to withdraw his plea of guilty and to enter a plea of not guilty, or
setting aside the verdict of guilty, or dismissing the accusation, information or indictment. (Amended
by Stats. 1978, Ch. 1161.)

2878.7. Petition for Reinstatement or Reduction of Penalty.

(a) A person whose license has been revoked, suspended, surrendered, or placed on probation,
may petition the board for reinstatement or modification of the penalty, including modification or
termination of probation, after a period not less than the following minimum periods has elapsed from

the superior court, from the date the disciplinary action is actually implemented in its entirety:
(1) Except as otherwise provided in this section, at least three years for the reinstatement of
a license that was revoked or surrendered, except that the board may, in its sole discretion, specify in

hearing on the petition, and an opportunity to present both oral and documentary evidence and argument
to the board. The petitioner shall at all times have the burden of proof to establish by clear and convincing
evidence that he or she is entitled to the relief sought in the petition.
(c) The board itself or the administrative law judge, if one is designated by the board, shall hear
the petition and shall prepare a written decision setting forth the reasons supporting the decision.
(d) The board may grant or deny the petition or may impose any terms and conditions that it
reasonably deems appropriate as a condition of reinstatement or reduction of penalty.

(e) No petition shall be considered while the petitioner is under sentence for any criminal offense, including any period during which the petitioner is on court-imposed probation or parole or subject to an order of registration pursuant to Section 290 of the Penal Code. No petition shall be considered while there is an accusation or petition to revoke probation pending against the petitioner.

(f) Except in those cases where the petitioner has been disciplined for a violation of Section 822, the board may in its discretion deny without hearing or argument any petition that is filed pursuant to this section within a period of two years from the effective date of a prior decision following a hearing under this section.

(g) Nothing in this section shall be deemed to alter the provisions of Sections 822 and 823. (Repealed and added by Stats. 2001, Ch. 728, Sec. 24. Effective January 1, 2002.)

2878.8. Disciplinary Action by Another Agency or State.

The board may deny any application or may suspend or revoke any license issued under this chapter based upon the denial of licensure, suspension, restriction, or other disciplinary action of a license by another state, any other government agency, or by another California health care professional licensing board. A certified copy of the finding shall be conclusive evidence of that action provided that, if from another state, the findings establish an act which if committed in California would be grounds for discipline. (Added by Stats. 1992, Ch. 1289, Sec. 23. Effective January 1, 1993.)

2878.9. Probationary License.

(a) The board may issue an initial license on probation, with specific terms and conditions, to any applicant who has violated any term of this chapter, but who has met all other requirements for licensure and who has successfully completed the examination for licensure within four years of the date of issuance of the initial license.

(b) Specific terms and conditions may include, but are not limited to, the following:
   2. Ongoing participation in a specified rehabilitation program.
   3. Abstention from the use of alcohol or drugs.
   4. Compliance with all provisions of this chapter.

(c) (1) Notwithstanding any other provision of law, and for purposes of this section, when deciding whether to issue a probationary license, the board shall request that an applicant with a dismissed conviction provide proof of that dismissal and shall give special consideration to applicants whose convictions have been dismissed pursuant to Section 1203.4 or 1203.4a of the Penal Code.

   (2) The board shall also take into account and consider any other reasonable documents or individual character references provided by the applicant that may serve as evidence of rehabilitation as deemed appropriate by the board.

The proceedings under this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the board shall have all the powers granted therein.

(b) The board may deny a license to an applicant on any of the grounds specified in Section 480.

(c) In addition to the requirements provided in Sections 485 and 486, upon denial of an application for a license, the board shall provide a statement of reasons for the denial that does the following:

(2) Provides the board’s criteria relating to rehabilitation, formulated pursuant to Section 482, that takes into account the age and severity of the offense, and the evidence relating to participation in treatment or other rehabilitation programs.

(3) If the board’s decision was based on the applicant’s prior criminal conviction, justifies the board’s denial of a license and conveys the reasons why the prior criminal conviction is substantially related to the qualifications, functions, or duties of a licensed vocational nurse.

(d) Commencing July 1, 2009, all of the following shall apply:

(1) If the denial of a license is due at least in part to the applicant’s state or federal criminal history record, the board shall, in addition to the information provided pursuant to paragraph (3) of subdivision (c), provide to the applicant a copy of his or her criminal history record if the applicant makes a written request to the board for a copy, specifying an address to which it is to be sent.

(A) The state or federal criminal history record shall not be modified or altered from its form or content as provided by the Department of Justice.

(B) The criminal history record shall be provided in such a manner as to protect the confidentiality and privacy of the applicant’s criminal history record and the criminal history record shall not be made available by the board to any employer.

(C) The board shall retain a copy of the applicant’s written request and a copy of the response sent to the applicant, which shall include the date and the address to which the response was sent.

(2) The board shall make this information available upon request by the Department of Justice or the Federal Bureau of Investigation.

(e) Notwithstanding Section 487, the board shall conduct a hearing of a license denial within 90 days of receiving an applicant’s request for a hearing. Licenses issued under this chapter on or after January 1, 1974, shall, unless renewed, expire at
two- year intervals on the last day of the month following the month in which the licensee’s birthday occurs, beginning with the second birthday following the date on which the license was issued. To renew an unexpired license, the licensee shall, on or before each of the dates on which it would otherwise expire, apply for renewal on a form prescribed by the board and pay the renewal fee prescribed by this chapter.

The board shall give written notice to a licensee 30 days in advance of the renewal date and, 90 days in advance of the expiration of the fourth year that a renewal fee has not been paid, shall give written notice to the licensee informing the licensee in general terms of the provisions of Section 2892.4. (Amended by Stats. 1981, Ch. 714, Sec. 6.)

2892.1. Renewal of Expired Licenses.

Except as provided in Sections 2892.3 and 2892.5, an expired license may be renewed at any time within four years after its expiration upon filing of an application for renewal on a form prescribed by the board, payment of all accrued and unpaid renewal fees, and payment of any fees due pursuant to Section 2895.1.

If the license is renewed more than 30 days after its expiration, the licensee, as a condition precedent to renewal, shall also pay the delinquency fee prescribed by this chapter. Renewal under this section shall be effective on the date on which the application is filed, on the date on which all renewal fees are paid, or on the date on which the delinquency fee is paid, whichever last occurs. If so renewed, the license shall continue in effect through the date provided in Section 2892 which next occurs after the effective date of the renewal, when it shall expire if it is not again renewed. (Amended by Stats. 2001, Ch. 435, Sec. 7. Effective January 1, 2002.)

2892.2. Expiration and Renewal of Suspended Licenses.

A suspended license is subject to expiration and shall be renewed as provided in this article, but such renewal does not entitle the licensee, while the license remains suspended and until it is reinstated, to engage in the licensed activity, or in any other activity or conduct in violation of the order or judgment by which the license was suspended. (Added by Stats. 1961, Ch. 363.)

2892.3. Expiration and Reinstatement of Revoked Licenses.

A revoked license is subject to expiration as provided in this article, but it may not be renewed. If it is reinstated after its expiration, the licensee, as a condition precedent to its reinstatement, shall pay a reinstatement fee in an amount equal to the renewal fee in effect on the date the application for reinstatement is filed, plus the delinquency fee, if any, accrued at the time of its revocation. (Amended by Stats. 1973, Ch. 106.)

2892.4. Effect of Failure to Renew Within Specified Time.

A license which is not renewed within four years after its expiration may not be renewed, restored, reissued, or reinstated thereafter, but the holder of the license may apply for and obtain a new license if all of the following conditions are met:
(a) No fact, circumstance, or condition exists which, if the license were issued, would justify its revocation or suspension.
(b) The applicant pays all of the fees that would be required of an applicant for a new license.
(c) The applicant takes and passes the examination which would be required of an applicant for a new license. The examination may be waived in any case in which the applicant establishes to the
satisfaction of the board that, with due regard for the public interest, the applicant is qualified to engage in the practice of vocational nursing.

The board may, by appropriate regulation, provide for the waiver or refund of all or any part of the application fee in those cases in which a license is issued without an examination under this section. (Amended by Stats. 1984, Ch. 880, Sec. 1.)

2892.5. Continuing Education Requirements.

(a) Each person renewing his or her license under the provisions of this chapter shall submit proof satisfactory to the board that, during the preceding two-year period, he or she has informed himself or herself of developments in the vocational nurse field or in any special area of vocational nurse practice, occurring since the issuance of his or her certificate, or the last renewal thereof, whichever last occurred, either by pursuing a course or courses of continuing education approved by the board in the vocational nurse field or relevant to the practice of such licensee, and approved by the board; or by other means deemed equivalent by the board.

(b) For purposes of this section, the board shall, by regulation, establish standards for continuing education. The standards shall be established in a manner to assure that a variety of alternative forms of continuing education are available to licensees including, but not limited to, academic studies, in-service education, institutes, seminars, lectures, conferences, workshops, extension studies, and home study programs. The standards shall take cognizance of specialized areas of practice. The continuing education standards established by the board shall not exceed 30 hours of direct participation in a course or courses approved by the board, or its equivalent in the units of measure adopted by the board.

(c) This section shall not apply to the first license renewal following the initial issuance of a license.

(d) The board may, in accordance with the intent of this section, make exceptions from continuing education for licensees residing in another state or country, or for reasons of health, military service, or other good cause.

This section shall become operative on July 1, 1980. (Amended by Stats. 1979, Ch. 651.)

2892.6. Collection of Fee from Provider of Course in Continuing Education.

The board shall collect a biennial fee, not to exceed two hundred dollars ($200), from any provider of a course in continuing education who requests approval by the board of such course for purposes of continuing education requirements under this chapter. That fee, however, shall in no event exceed that cost required for the board to administer the approval of continuing education courses by continuing education providers. (Amended by Stats. 1990, Ch. 1131, Sec. 1.)

2893. Statements and Deposits of Moneys Collected.

At least once in every calendar month, the board shall furnish the Controller a detailed statement of all moneys collected by the board under this chapter or from any other source, and, at the same time, shall pay the amount thereof to the Treasurer. On order of the Controller, the amount so paid shall be deposited in the State Treasury to the credit of the Vocational Nursing and Psychiatric Technicians Fund and to the Vocational Nurse Education Fund, as specified in Section 128500 of the Health and Safety Code. (Amended by Stats. 2003, Ch. 640, Sec. 13. Effective January 1, 2004.)
2894. Uses of Fund.

All money in the Vocational Nursing and Psychiatric Technicians Fund shall be used to carry out the provisions of this chapter, including the promotion of nursing education in this state, and for the refund, in accordance with law, of license fees or other moneys paid into the Vocational Nursing and Psychiatric Technicians Fund under the provisions of this chapter.

Claims against the Vocational Nursing and Psychiatric Technicians Fund shall be audited by the Controller, and shall be paid by the Treasurer upon warrants drawn by the Controller. *(Amended by Stats. 2005, Ch. 74, Sec. 8. Effective July 19, 2005.)*

2895. Fee Schedule.

The amount of the fees prescribed by this chapter in connection with the issuance of licenses under its provisions is that fixed by the following schedule:

(a) The fee to be paid upon the filing of an application shall be in an amount not less than seventy-five dollars ($75) and may be fixed by the board at an amount no more than one hundred fifty dollars ($150).

(b) The fee to be paid for taking each examination shall be the actual cost to purchase the examination from a vendor approved by the board.

(e) Notwithstanding Section 163.5, the delinquency fee for failure to pay the biennial renewal fee within the prescribed time shall be in an amount not less than fifty dollars ($50) and may be fixed by the board at not more than 50 percent of the regular renewal fee and in no case more than seventy-five dollars ($75).

No further fee shall be required for a license or a renewal thereof other than as prescribed by this chapter. *(Amended by Stats. 2003, Ch. 640, Sec. 14. Effective January 1, 2004.)*

2895.1. Dishonored Check in Payment of License Renewal Fee.

Notwithstanding any other provision of law, an applicant for license renewal who receives his or her license after payment by a check or money order that is subsequently returned unpaid, shall not be granted a renewal until the applicant pays the amount outstanding from the returned check or money order, the applicable returned check fee, together with the applicable fee including any delinquency fee for the pending renewal. The board may require each applicant to make payment of all fees by cashier's
check. (Added by Stats. 1994, Ch. 26, Sec. 63. Effective March 30, 1994.)

The Board or its delegatee shall reject the registration if all of the identified deficiencies have not been corrected at least thirty (30) days prior to the commencement of the sponsored event.

(c) Recordkeeping Requirements. Regardless of where it is located, a sponsoring entity shall maintain, at a physical location in California, a copy of all records required by Section 901 of the Code as well as a copy of the authorization for participation issued by the Board to an out-of-state practitioner. The sponsoring entity shall maintain these records for a period of at least five (5) years after the date on which a sponsored event ended. The records may be maintained in either paper or electronic form. In addition, the sponsoring entity shall keep a copy of all records required by Section 901(g) of the Code at the physical location of the sponsored event until that event has ended. These records shall be available for inspection and copying during the operating hours of the sponsored event upon request of any representative of the Board.

(d) Requirement for Prior Board Approval of Out-of-State Practitioner. A sponsoring entity shall not permit an out-of-state practitioner to participate in a sponsored event unless and until the sponsored entity has received written approval of such practitioner from the Board.

(e) Report. Within fifteen (15) calendar days after a sponsored event has concluded, the sponsoring entity shall file a report with the Board summarizing the details of the sponsored event. This report may be in a form of the sponsoring entity’s choosing, but shall include, at a minimum, the following...
information:
   (1) The date(s) of the sponsored event;
   (2) The location(s) of the sponsored event;
   (3) The type(s) and general description of all health care services provided at the sponsored event; and
   (4) A list of each out-of-state practitioner granted authorization pursuant to this Article who participated in the sponsored event, along with the license number of that practitioner.

(a) Request for Authorization to Participate. An out-of-state practitioner (“applicant”) may request authorization from the Board to participate in a sponsored event and provide such health care services at the sponsored event as would be permitted if the applicant were licensed by the Board to provide those services. An applicant shall request authorization by submitting to the Board a completed Request For Authorization To Practice Without A California License, Form 901-B (3/23/12), which is hereby incorporated by reference, accompanied by a non-refundable, and non-transferrable processing fee of fifty dollars ($50). The applicant shall also furnish either a full set of fingerprints or submit to a Live Scan process to establish the identity of the applicant and to permit the Board to conduct a criminal history record check. The applicant shall pay any costs for furnishing the fingerprints. The fingerprint requirement shall apply only to the first application for authorization that is submitted by the applicant if no more than four years have passed since the last Request for Authorization, Form 901-B (3/23/12) was received by the Board.

(b) Response to Request for Authorization to Participate. Within twenty (20) calendar days of receiving a completed request for authorization, the Board shall notify the sponsoring entity or local government entity administering the sponsored event, whether that request is approved or denied.

(c) Denial of Request for Authorization to Participate.
   (1) The Board shall deny a request for authorization to participate if:
      (A) The submitted Form 901-B (3/23/12) is incomplete and the applicant has not responded within seven (7) calendar days to the Board’s request for additional information.
      (B) The applicant has not met all of the following educational and experience requirements:
         1. Completion of a course of instruction in vocational or practical nursing in a school accredited by the Board or another United States province, provided that the course completed is substantially equivalent to that prescribed by Section 2533 of this chapter.
         2. Taken the National League for Nursing State Board Test Pool Examination for Practical Nurses or the National Council Licensing Examination for Practical Nurses, and passed said examination with a score equal to or above the minimum passing score required by the Board for said examination.
      (C) The applicant has failed to comply with a requirement of this Article or has committed any act that would constitute grounds for denial of an application for licensure by the Board.
      (D) The applicant does not possess a current valid license in good standing. The term “good standing” means the applicant:
         1. Has not been charged with an offense for any act substantially related to the practice for which the applicant is licensed by any public agency.
         2. Has not entered into any consent agreement or been subject to an administrative decision that contains conditions placed upon the applicant’s professional conduct or practice, including any voluntary surrender of license.
3. Has not been the subject of an adverse judgment resulting from the practice for which the applicant is licensed that the Board determines constitutes evidence of a pattern of negligence or incompetence.

(E) The Board has not received a criminal history report for the applicant from the California Department of Justice.

(2) The Board may deny a request for authorization to participate if any of the following occurs:

(A) The request is received less than twenty (20) calendar days before the date on which the sponsored event will begin.
(B) The applicant has been previously denied a request for authorization by the Board to participate in a sponsored event.
(C) The applicant has previously had an authorization to participate in a sponsored event terminated by the Board.
(D) The applicant has participated in three (3) or more sponsored events during the twelve (12) month period immediately preceding the current application.
(d) Appeal of Denial. An applicant requesting authorization to participate in a sponsored event may appeal the denial of such request by following the procedures set forth in section 2557.3(d).

2557.3. Termination of Authorization and Appeal.

(a) Grounds for Termination. The Board may terminate an out-of-state practitioner's authorization to participate in a sponsored event for any of the following reasons:

(1) The out-of-state practitioner has failed to comply with any applicable provision of this Article, or any applicable practice requirement or regulation of the Board.
(2) The out-of-state practitioner has committed an act that would constitute grounds for discipline if done by a licensee of the Board.
(3) The Board has received a credible complaint indicating that the out-of-state practitioner is unfit to practice at the sponsored event or has otherwise endangered consumers of the practitioner's services.

(b) Notice of Termination. The Board shall provide both the sponsoring entity or the local government entity administering the sponsored event, and the out-of-state practitioner with a written notice of the termination, including the basis for the termination. If the written notice is provided during a sponsored event, the Board may provide the notice to any representative of the sponsored event on the premises of the event.

(c) Consequences of Termination. An out-of-state practitioner shall immediately cease his or her participation in a sponsored event upon receipt of the written notice of termination.

Termination of authority to participate in a sponsored event shall be deemed a disciplinary measure reportable to the national practitioner data banks. In addition, the Board shall provide a copy of the written notice of termination to the licensing authority of each jurisdiction in which the out-of-state practitioner is licensed.

(d) Appeal of Termination. An out-of-state practitioner may appeal the Board's decision to terminate an authorization in the manner provided by Section 901(j)(2) of the Code. The request for an appeal shall be considered a request for an informal hearing under the Administrative Procedure Act.

(e) Informal Conference Option. In addition to requesting a hearing, the out-of-state practitioner may request an informal conference with the Executive Officer regarding the reasons for the termination of authorization to participate. The Executive Officer shall, within thirty (30) days from receipt
of the request, hold an informal conference with the out-of-state practitioner. At the conclusion of the informal conference, the Executive Officer may affirm or dismiss the termination of authorization to participate. The Executive Officer shall state in writing the reasons for his or her action and mail a copy of his or her findings and decision to the out-of-state practitioner within ten (10) days from the date of the informal conference. The out-of-state practitioner does not waive his or her request for a hearing to contest a termination of authorization by requesting an informal conference. If the termination is dismissed after the informal conference, the request for a hearing shall be deemed to be withdrawn.
