## Strategic Planning and Implementation

The Enforcement Division continues to diligently work towards closing cases. We are working with the Division of Investigations to take on more of our cases. We believe that this will allow us to close cases faster and create a budgetary savings. We will continue to work with the Enforcement Committee on efficiencies and cost savings strategies.

## Licensee Reminder

As the holidays approach, we typically see an increase in our licenses being arrested for driving while intoxicated. Due to this, we sent a reminder to our licensees not to drive while intoxicated.

## Licensed Vocational Nurses as Independent Contractors

The BVNPT Enforcement Division has recently received multiple complaints against Licensed Vocational Nurses (LVN's) performing services as independent contractors assigned by staffing agencies. Unlike the typical arrangement in which the LVN's are employees of the staffing agency, these LVN's are characterized by the staffing agency as independent contractors and accept assignments from a platform maintained and controlled by the staffing agency. A substantial legal question exists whether LVN's, who are not independent practitioners but must work under the supervision of a licensed physician or registered nurse under Business and Professions Code section 2859, can satisfy the legal conditions for independent contractor status under Labor Code section 2750.3. The BVNPT Enforcement Division is actively investigating these complaints and taking other appropriate steps to examine the issue of LVN's performing services as independent contractors.
